*certifies that the change in the type design for the following product with the limitations and conditions therefor as specified hereon meets the airworthiness requirements of Part *23 of the Federal Aviation Regulations. (*Certification basis is set forth in Type Certificate Data Sheet A24CE)*

Original Product Type Certificate Number :

A24CE

Make :

Raytheon Aircraft Company

Model :

B300 King Air Series

Description of Type Design Change: Installation of the Universal Avionics Unilink 60X/70X Airborne Communications System in accordance with FAA Approved Master Installation Drawing List, Drawing No. MDL-1004, Revision "E", dated January 16, 2003 or later FAA approved revision.

Limitations and Conditions: This approval should not be incorporated in any aircraft unless it is determined that the interrelationship between this installation and any previous approved configuration will not introduce any adverse effect upon the airworthiness of the aircraft.

The Unilink 60X/70X integrates with separately approved system installations. Adherence to the limitations in the appropriate Airplane Flight Manual Supplements for those systems is mandatory.

If the holder agrees to permit another person to use this certificate to alter the product, the holder shall give the other person written evidence of that permission.

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.
